Use Canary ink to randomly stamp the small sparkle around the clusters.
Use the purple glitter hearts randomly around the clusters, too.
1. Using a bone folder, score 1/4” from three sides of the 5-1/2” x 12” & 1” x 2” Canary cardstock. Dovetail one end of the 1” x 2” Canary cardstock.
2. Layer a variety of the flower plastic stickers onto a scrap of White Daisy cardstock and trim out.
3. Layer silver foil tape on one edge of B&T Duos™ as shown.
4. Using the Canary cardstock ‘little lady’ Cricut® shape as a template, sponge embossing ink over the title as shown and then heat embossing using white embossing powder.
5. Watercolor over embossed image with desired watercolors. Use water sparingly to avoid warping cardstock too much.
